

# The National Teaching & Advisory Service

children | education | life

# NT&AS BELIEVES THAT EVERYONE SHOULD ACHIEVE THEIR POTENTIAL

## NT&AS SPECIALIST SUPPORT

Young people and their families access specialist teachers who are supported by a team providing personalised education in a safe environment.

Inclusion experts

Subject specialists

SEN specialists and assessors

Exam access coordinators

Safeguarding team

Data management and administration

Risk management experts

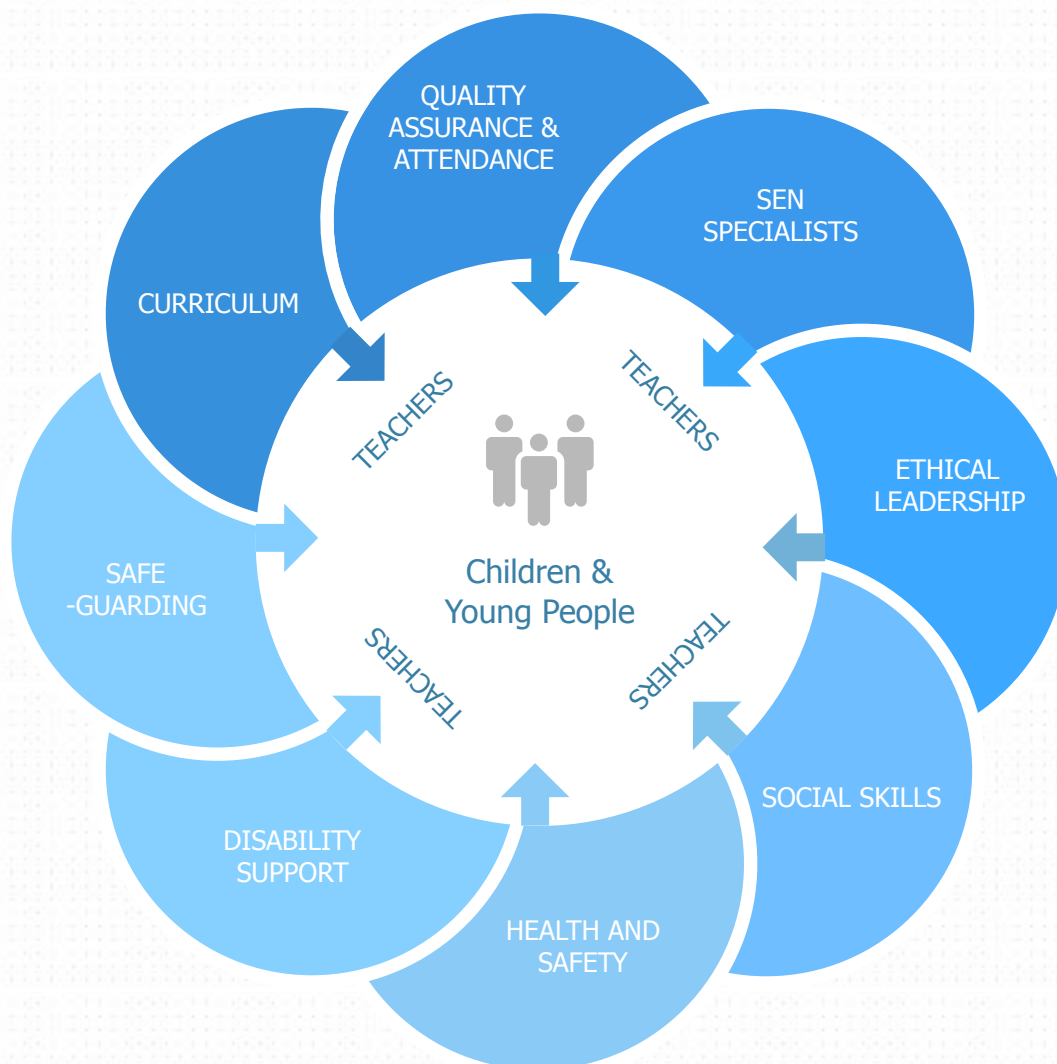

## CHILDREN & FAMILIES

NT&AS improves access to learning and contributes to the future success of young people who have additional educational needs.

NT&AS teachers are skilled in overcoming barriers to learning and working with young people to maximise opportunity.

NT&AS has expertise in understanding special educational needs; social development; access and adaptation; physical disabilities; ASC and multiple and complex needs.

NT&AS give choices to children and young people and their families.
